release shall run concurrently with any federal, state, or local term of probation, parole or supervised release for another offense, but does not run while the offender is imprisoned in connection with a conviction for a federal, state, or local crime unless the period of imprisonment is less than 30 days. Such interruption of the term of supervised release is automatic, and is not dependent upon the issuance of a warrant or an order of revocation by the Commission.

§ 2.202 Prerelease procedures.

(a) At least three months, but not more than six months, prior to the release of a prisoner who has been sentenced to a term or terms of supervised release by the Superior Court, the responsible prison officials shall have the prisoner's release plan forwarded to CSOSA (or to the appropriate U.S. Probation Office) for investigation. If the CSOSA Supervision Officer (or U.S. Probation Officer) believes that any special condition of supervised release should be imposed prior to the release of the prisoner, he shall forward a request for such condition to the Commission. The Commission may, upon such request or of its own accord, impose any special condition in addition to the standard conditions specified in § 2.204, which shall take effect on the day the prisoner is released.

(b) Upon the release of the prisoner, the responsible prison officials shall instruct the prisoner, in writing, to report to his assigned Supervision Officer within 72 hours, and shall inform the prisoner that failure to report on time shall constitute a violation of supervised release. If the prisoner is released to the custody of other authorities, the prisoner shall report to his Supervision Officer within 72 hours after his release from the physical custody of such authorities. If he is outside the District of Columbia and is unable to report to the Supervision Officer to whom he is assigned within 72 hours, he shall report instead to the nearest U.S. Probation Office.

§ 2.203 Certificate of supervised release.

When an offender who has been released from prison to serve a term of supervised release imposed by the Superior Court reports to his Supervision Officer for the first time, the Supervision Officer shall deliver to the releasee a certificate bearing the conditions of supervised release imposed by the Commission and shall explain the conditions to the releasee.

§ 2.204 Conditions of supervised release.

(a) The following conditions shall apply to every term of supervised release, and are deemed by the Commission to be necessary to provide adequate supervision and to protect the public from further crimes of the releasee:

(1) The releasee shall not commit any federal, state, or local crime during the term of supervision, nor shall he associate with persons engaged in criminal activity. The releasee shall report within two days to his Supervision Officer if he is arrested or questioned by any law enforcement officer.

(2) The releasee shall not drink alcoholic beverages to excess. He shall not purchase, possess, use or administer any controlled substance unless prescribed for the releasee by a physician. The releasee shall not frequent places where such controlled substances are illegally sold, dispensed, used, or given away.

(3) The releasee shall submit to a drug urinalysis test, within 15 days of being placed on supervision, and to at least two periodic drug tests thereafter, as ordered by his Supervision Officer. The Commission may modify or suspend this condition if the record indicates that there is a low risk of future substance abuse by the releasee.

(4) The releasee shall submit to a drug or alcohol test at any time during the term of supervision, whenever such testing is ordered by his Supervision Officer.

(5) The releasee shall not leave the limits fixed by his certificate of supervised release without permission from his Supervision Officer.

(6) The releasee shall notify his Supervision Officer of the address where he will reside and of any change in his place of residence within two days of such change.
